**RE: Bridge 28-32 Replacement – Award Recommendation**

Dear Tim:

Great West has reviewed the three bids received for the above-mentioned project. D.W. Oxendahl Construction out of Worden, MT is the lowest responsive and responsible bidder with a total bid of \$208,950.00. I have enclosed a copy of the certified bid tabulations for your reference.

Based on our previous experience with D.W. Oxendahl it is our opinion that they are qualified to complete the work on the project. As such, we recommend that the County award the project to D.W. Oxendahl Construction LLC.

If you have any questions or concerns, please contact me at (406) 652-5000.

Sincerely,

**Great West Engineering, Inc.**
