Dear Ms. Loewen,

We, the Commissioners of Yellowstone County, have reviewed District 7 Human Resource Development Council’s (HRDC) Community Service Block Grant (CSBG) plan for 2022-2023.

The Commissioners have a long-standing relationship with HRDC since its inception in 1966 as a Community Action Partnership (CAP) of Billings and Yellowstone County. We believe HRDC provides a wide variety of needed services for Yellowstone County’s low income citizens. On behalf of these individuals and the betterment of Yellowstone County, we hereby support the activities set forth in the 2022-2023 CSBG plan.

Sincerely,

BOARD OF COUNTY COMMISSIONERS

YELLOWSTONE COUNTY, MONTANA
