BOARD OR COMMISSION APPLIED FOR: Youth Services Center

Please describe your experience or background that you believe qualifies you for service on this Board or Commission (attach additional sheets if needed):

On Nov. 12, 2021, I completed three years of employment at Youth Services Center, worked every shift in shelter care and in detention, spoke with most youth to learn about their backgrounds, and worked with every staff member to assure the safety, security, and essential needs of all were met. The experience has given me a good understanding of the purpose of YSC and perspectives to share with the entire Advisory Board to factor into the decision making process.

Why do you wish to serve on this Board or Commission?

15 years ago, I made a vow to do everthing possible to help change the trajectory of the lives of troubled youth. Since then, I have had the opportunity to work with several nonprofit organizations across the U.S., helping them become sustainable and to secure tools needed to deliver successful outcomes-based behavioral and mental health services to youth. Serving on this Advisory Board will provide a platform to share knowledge and information from a broad scope of perspectives and experience.

Additional information that you feel is pertinent (attach additional sheets if needed):

I have been a resident of Yellowstone County for more than 40 years with my home located in Billings. BA degree in Broadcast Journalism; Masters degree work in Management. Being retired, I have the time needed to serve on this board and have served on several community boards including: Tumbleweed; Billings West Rotary; Billings Chamber of Commerce. Professionally, MTN News Butte/Billings Bureau Chief; Director of University Relations at MSU-Billings; President of Woosley & Associates, Inc.
