Title: Polling Place Relocation - Laurel

Submitted By: Dayna Causby, Election Administrator

TOPIC:

Elections - Polling Place Relocation - Laurel

BACKGROUND:

The Laurel School District has requested the Polling Location located at the Laurel High School be moved to the SD 7-70 Laurel Administration Building. This move will allow for the high school to operate without interruption of the election being held on their grounds. The administration building (former Elementary school) is ADA Accessible, voting will occur in the former "gym" area. The residents of Laurel know this building, and this again will reduce the impact of the students, teachers, and administrators at Laurel high School. Removing the voting public and providing a separate layer of security for that campus.

Voters affected by this will be mailed a notice. This notice will include the ability to request an absentee ballot be mailed, and will allow for voters to update their voter registration.

RECOMMENDED ACTION:

Approve
