To help the United States fight the funding of terrorism and money laundering activities, U.S. law requires Bank, like other financial institutions, to obtain, verify, and record information that identifies each customer that opens an account. Customer acknowledges that when Customer opens an account with Bank, Bank will ask for Customer's legal name, address, tax identification number, and other identifying information that will assist Bank. Bank may ask for copies of certified articles of incorporation, an unexpired government-issued business license, a partnership agreement, or other documents that indicate the existence and standing of the entity.

The Contract Signer listed below further represents and warrants to the Bank that Customer listed above has taken all action required by its respective organizational documents to appoint the Authorized Account Signer(s); and they are authorized to complete this Appendix A for each Customer listed above.
