

Good news: No rate change this year

As another plan year comes to a close, we'd like to thank you for being a great Unum customer.

We'd also like to deliver some good news: **Your rates will remain the same for the next plan year.** This means you won't pay more to get the benefits and service you're accustomed to, from a company you know and trust. We look forward to another year of helping protect your employees and their families. Your anniversary date is: 7/1/2027

We can do more.
