Comedy Works Entertainment Contract Rider

The following is a list of requirements for performance. Due to venue variations, this list should be used as a simple guideline for the production staff or event organizers. All of the items are to be provided at the sole cost of PURCHASER. This rider is general in nature and can adapt to any venue limitations.

1. Stage Requirements
   A stage riser that is elevated at least 12" for the audience view. Stage should be clean, level, and sturdy with a performance area that is at least 4' deep x 8' wide. If there are items on stage during the show, these must be approved by talent prior to performance. Podiums should be removed from the stage or pushed to the rear side of the stage if removal is infeasible. If a stage is not available in your venue, please notify your Comedy Works Entertainment representative.

2. Sound and Lighting
   The venue should have adequate lighting and sound amplification for the size of the audience. A professional tech person on site is preferred. The following items are required:
   - One handheld corded microphone (SM 58 or higher quality) with straight mic stand placedcenter stage, plus an additional for back-up if possible
   - One flat top backless bar stool placed a few feet behind mic stand
   - House lighting should be dimmed for duration of performance
   - Stage or stage area should be sufficiently lit with supplemental lighting as needed

3. Dressing Room
   - PURCHASER will provide one clean, well-lit, private room for PERFORMER'S exclusive use (when available).
   - Please provide 2 bottles of water per performance

4. Seating Arrangement and Performance Introduction
   In order to enhance the audience experience, please limit the space between the stage and the first row of seats or dining tables. The performance should not begin before the audience has finished their meal (plates cleared) and have been settled with their attention given to the stage. This is best accomplished by having someone acting as a host or emcee provide a proper introduction to the show to alert the audience that the performance is about to begin. This can be done either on or off stage.

5. Recording
   The recording or streaming of the performance is prohibited. Purchaser will use best efforts to ensure that audience members silence their phones during the show and do not record or take photographs during the show.

6. Cancellation
   The agreement of the PERFORMER on the Engagement Date is subject to proven detention by sickness, inability to perform, accident, riot, strike, epidemic, breakdown of transportation, acts of God, labor disputes, any act or order of public authority, or any cause similar or dissimilar beyond PERFORMER's control. PERFORMER reserves the right to cancel this engagement without liability if PERFORMER is booked for any television or film appearance which conflicts with this engagement and PERFORMER provides PURCHASER written notice greater than 90 days prior to the agreed engagement date. PERFORMER reserves the right to cancel this engagement without special notice in the event of the illness or accident upon the entertainer.

   Should PERFORMER cancel for any reason, PRODUCER agrees to re-book event with a mutually agreed upon entertainer at a mutually agreed upon price not to exceed the agreed price for engagement if desired by PURCHASER.
