PROPERTY TAX ASSISTANCE

NEW APPLICANTS MUST APPLY BY APRIL 15, 2019.

You have to meet the property ownership/occupancy and income requirements every year.

The benefit only applies to the first \$200,000 of the value of your primary residence. For agricultural and timber parcels, the only eligible land is the one-acre home site.

Once you have applied for the program, we will notify you each year whether you qualify. You will be included in the programs annual income verification until you move from your residence.

You must own or currently be under contract to purchase your home or mobile/manufactured home and occupy the home as your primary residence for at least seven months of the year.

Tax year 2019 income guidelines are: A single applicant's 2018 Federal Adjusted Gross Income (FAGI), excluding capital and income losses, must be less than \$23,337 and head of household and married applicants' 2018 FAGI must be less than \$31,116.

Spouse's incomes are included regardless of whether they are owners of the property.

You only need to report your income one time. In the future, the department will determine eligibility through our annual verification process.

If you would like to apply for PTAP or have any questions, please call 406-896-4000. Thank You.
