#### AGENCY EDUCATION SESSIONS (10 MINUTES)

Because we have so many new member Agencies attending the LEPC meeting, it was decided that at the end of each LEPC meeting a different LEPC Agency would do a brief (10 minute or less) educational summary of their role in an emergency response.

The role they will / can play in an emergency response or event situation, response capabilities and resources available to them. I have attached a tentative list of when your Agency is scheduled to make your 10-minute presentation. If I have missed anyone, please let me know.
