OTHER BUSINESS

1. AGENCY EDUCATION SESSIONS (10 MINUTES)

Because we have so many new member Agencies attending the LEPC meeting, it was decided that at the end of each LEPC meeting a different LEPC Agency would do a brief (10 minute or less) educational summary of their role in an emergency response. The role they will / can play in an emergency response or event situation, response capabilities and resources available to them. I have attached a tentative list of when your Agency is scheduled to make your 10-minute presentation.
