

Lockwood Pedestrian Safety District Advisory Board Meeting Agenda – 08/02/2023 Lockwood High School, Community Room | 1932 U.S. Hwy 87 E, Billings, MT 59101.

- Public Comment
- Minutes approval
- Old Hardin Rd sidewalk (IGA to Lockwood Square) Update from IE, Eric Ler attached, sent 8/25
 - Elevation issue near the intersection of Old Hardin Road and Clayton Ave, specifically, the westernmost approach into the Pape Rentals property. The sidewalk concrete was placed slightly too high to match back into a steady grade with the adjacent asphalt. As it stands, the sidewalk would cause a ponding issue along a length of about 8 sidewalk panels (~50') on the parking lot side since it would hold up stormwater from the parking lot moving towards Old Hardin Road.
 - As proposed remediation for this issue, two options are presented for your consideration. Option 1 would be to simply remove and replace the necessary length of sidewalk to the proper grade. Option 2 is to extend the asphalt replacement limits into the Pape Rentals parking lot to a point where an adequate slope can be tied into the sidewalk to allow stormwater to flow over the sidewalk into the "storage area" between the sidewalk and Old Hardin Road.
- HWY 87E/Massick Sidewalk Gap
- TEDD/ Billings Bypass—update (Woods)
- Trail Count Report
- Old Business
 - TA Grant Application was officially approved—email from Erin Claunch, Sanderson Stewart-8/16
- New Business
- Next Meeting Date(s): Wednesday, October 4, 7pm.
