- **New Business**
 - Email from Kristi Drake, TrailNet: As you may know, MDT is planning to reconstruct the Dick Johnson bridge in the near future. They have agreed to build a 10' wide ped/bike path on the bridge (which is now 4' wide with a dangerous drop). But they need a public entity (City of Billings, Yellowstone County or the Parks Department), to agree to the maintenance. MDT will not build any ped/bike facilities without a maintenance agreement from a public entity (not a nonprofit who can terminate the agreement by just not showing up).

If we could find funding for the next 5-10 years in maintenance, is there any public entity in Lockwood that would be able to provide maintenance? Is LPSD a nonprofit, or a public entity? Besides the county, is there any (fire? etc, we could creatively think of who could provide the maintenance, and who might also have equipment to maintain, such as a sweeper, bobcat, etc?)
- **Next Meeting Date(s):** Wednesday, July 2, 2025, 7pm.
