

LOCKWOOD PEDESTRIAN SAFETY DISTRICT

Lockwood Pedestrian Safety District Advisory Board Meeting Agenda – 08/06/2025

Lockwood High School, Community Room | 1932 U.S. Hwy 87 E, Billings, MT 59101.

- **Public Comment**
- **Minutes:** July minutes emailed 8/4/25 by Dangerfield.
- **Torgerson sidewalk improvements project (Erin Claunch, Sanbell)**
 - Email from Claunch 7/30/25: Knife River has completed the construction of the sidewalk. They still have some clean-up work to do and tying into the asphalt, but the project is pretty close to wrapping up. As the photo shows, there is a fair amount of water ponding in the area that they need to work in, so it may take a little bit before they can finish it out. The good news is that there is substantial ponding both in the boulevard and Torgerson's pond and the sidewalk is completely dry.
- **TA Grant (Erin Claunch, Sanbell)**
- **Old Hardin Rd sidewalk project (Travis Smith)**
- **Billings Bypass/TEDD update (Nick Pancheau)**
- **Trail Count Report (Mike Hayes, City of Billings, Multi Modal Planner)**
- **Old Business**
- **New Business**
- **Next Meeting Date(s):** Wednesday, September 3, 2025, 7pm.
