We ask these questions because we do not promote any business trying to sell goods or services. Our services page will not be used as ad space for people trying to make a profit. Our goal is to provide helpful information for Yellowstone County residents. We won't post links to businesses who have their brick and mortar is outside of the United States or on a nonsecure website. With all the different types of phishing and hacking attempts going on, we find it in our best interest to make this request. If something were to go wrong, it could potentially make people not trust the information that we are providing.

Having a link placed on our site does not guarantee it will always stay there. Links may be removed at any time.

When submitting your request to add a link please attach a copy of this PDF document.

Thank you for your cooperation and interest in wanting to be a part of the Yellowstone County Website.
