

YELLOWSTONE COUNTY BOARD OF COUNTY COMMISSIONERS

Resolution No. 25- 23

**Resolution Adopting the 2024 Eastern Montana Region
Hazard Mitigation Plan**

Whereas, Yellowstone County recognizes the threat that natural hazards pose to people and property within our community; and

Whereas, undertaking hazard mitigation actions will reduce the potential for harm to people and property from future hazard occurrences; and

Whereas, an adopted Hazard Mitigation Plan is required as a condition of future funding for mitigation projects under multiple FEMA pre- and post-disaster mitigation grant programs; and

Whereas, Yellowstone County resides within the Planning Area, and fully participated in the mitigation planning process to prepare this Hazard Mitigation Plan; and

Now, therefore, be it resolved, that the Yellowstone County Board of County Commissioners hereby adopts the Eastern Montana Region Hazard Mitigation Plan, as an official plan; and

Be it further resolved, that Yellowstone County will submit this Adoption Resolution to the Montana Division of Disaster and Emergency Services and Federal Emergency Management Agency, Region VIII officials to enable the Plan's final approval. While some content may require revisions to meet the plan approval requirements, changes occurring after adoption will not require the county to re-adopt any further iterations of the plan.

Passed and Adopted on the 4th day of March 2025.
