WHEREAS, the Board of County Commissioners of Yellowstone County, Montana, have been presented with a valid petition to create a Rural Special Improvement Maintenance District which shall be known as R.S.I.D #746M for Cornerstone Meadows Subdivision, described in Exhibit B as lots 1-5 of Cornerstone Meadows Subdivision and more particularly shown in Exhibit A (map) and,

WHEREAS, under MCA 7-12-2102(2), a petition was presented to create a rural special improvement district that contains the consent of all (100%) of the owners of property to be included in the district;

WHEREAS, the Board of County Commissioners finds, determines and declares:

1. That the public interest or convenience requires the creation of a Rural Special Improvement Maintenance District as hereinafter described;

3. That the purpose of forming the District is to provide for the maintenance, operation and preservation of the streets located within the boundaries of this District;

4. That the Commissioners have been presented with a valid Petition to create the proposed District;

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Yellowstone County as follows:

1. The Commissioners have acquired jurisdiction to create a Rural Special Improvement Maintenance District No. 746M to provide for the annual maintenance, operation and preservation of the streets. The maintenance costs are more particularly described in Exhibit C. The estimated maintenance costs shown do not preclude other eligible street expenditures.

2. All of the costs of the District shall be assessed on a per lot basis for all existing and future lots (see Exhibit C). The boundaries of this District are shown on the map attached as Exhibit A and described in Exhibit B.

3. The number of the Rural Special Improvement Maintenance District thereof shall be **No. 746M.**

4. All lots accessing their property from the streets will benefit from proposed R.S.I.D. and shall be assessed for maintenance. All lots will be assessed an amount based upon the total cost of the maintenance.

5. The Commissioners desire that an Ad Hoc Committee be appointed to make recommendations to the Commissioners with regard to the need for assessments to be made for the maintenance and the amount of the assessments, and how the assessments should be spent. The Commissioners ask that the Petitioners submit a list of some individuals who are willing to serve on the Ad Hoc Committee.
