

# YELLOWSTONE COUNTY BOARD OF COUNTY COMMISSIONERS

Resolution No. 21-99

## Resolution to Create Yellowstone County Rural Special Improvement District No. 871M To Maintain Public Park in Lazy KU Subdivision

WHEREAS, pursuant to Sections 7-12-2101 through 7-12-2113 of the Montana Code Annotated, a board of county commissioners has the authority to create a rural special improvement district to construct and maintain a public improvement. When all the owners of the land in the proposed district do not consent to the creation of the district, a board should pass a resolution of intent, set a public hearing, provide notice of the public hearing, receive protests, hold a public hearing, consider protests and pass a resolution that either creates or does not create the district. When all the owners of the land in the proposed district consent to the creation of a district, the board does not have to hold a public hearing. The board can create the district with a resolution without a hearing.

WHEREAS, the Yellowstone County Board of County Commissioners received a petition from Cheryl Kramer to create a rural special improvement district to maintain the park in Lazy KU Subdivision. Attached is a copy of the petition. See exhibits A-F attached. As a condition of subdivision approval, the Board required it to dedicate land to the public for a park and create a district to maintain the park. Cheryl Kramer owns all the land in the subdivision (see Exhibit F). Cheryl Kramer has consented to the creation of the district. Because Cheryl Kramer has consented to the creation of the district, the Board does not have to hold a hearing to create the district. The Board only has to pass a resolution to create the district.

## **Lazy KU Subdivision**

### **Park District**

On November 8, 2021, Mark English, a Deputy Yellowstone County Attorney assigned to the Civil Division, reviewed a petition to create a rural special improvement district to maintain a park the developer will dedicate to the public with Lazy KU Subdivision. The Subdivision is a major residential subdivision. The district will maintain the park in the Subdivision. The district will include all the lots in the Subdivision. The district will mow and weed the park in the Subdivision. The projected annual cost to maintain the park is \$1,500.00 per year. The cost will be divided equally among the parcels in the district. The Board of County Commissioners will not have to hold a hearing to create the district. All the landowners in the district have consented to the creation of the district. The Board just needs to pass a resolution.

### **Dry Hydrant District**

On November 8, 2021, Mark English, a Deputy Yellowstone County Attorney assigned to the Civil Division, reviewed a petition to create a rural special improvement district to maintain a dry hydrant the developer will install and dedicate to the public with Lazy KU Subdivision. The Subdivision is a major residential subdivision. The district will maintain the dry hydrant in the Subdivision. The district will include all the lots in the Subdivision and a tract of land outside of the Subdivision in a certificate of survey. The tract will be benefited by the dry hydrant. The district will inspect the dry hydrant, fill the standpipe with nitrogen, remove snow around the standpipe and control weeds around the standpipe. The projected annual cost to maintain the dry hydrant is \$25.00 per year. The cost will be divided equally among the parcels in the district. The Board of County Commissioners will not have to hold a hearing to create the district. All the landowners in the district have consented to the creation of the district. The Board just needs to pass a resolution.

### **Road District**

On November 8, 2021, Mark English, a Deputy Yellowstone County Attorney assigned to the Civil Division, reviewed a petition to create a rural special improvement district to maintain the roads the developer will install and dedicate to the public with Lazy KU Subdivision. The Subdivision is a major residential subdivision. The district will maintain the roads in the Subdivision. The district will include all the lots in the Subdivision and a tract of land outside of the Subdivision in a certificate of survey. The tract will be benefited by the roads. The district will snowplow the roads, maintain the drainage ditches next to the roads, control the weeds in the drainage ditches next to the roads and some unspecified task of "roads." What is meant by roads should be specified. The projected annual cost to maintain the roads is \$5,700.00 per year. The cost will be divided equally among the parcels in the district. The Board of County Commissioners will not have to hold a hearing to create the district. All the landowners in the district have consented to the creation of the district. The Board just needs to pass a resolution.
