

YELLOWSTONE COUNTY BOARD OF COUNTY COMMISSIONERS

Resolution No. 24-37

**Resolution to Create Yellowstone County Rural Special Improvement District No. 902M
To Maintain Dry Hydrant in Onyx Pointe Subdivision**

WHEREAS, pursuant to Sections 7-12-2101 through 7-12-2113 of the Montana Code Annotated, a board of county commissioners has the authority to create a rural special improvement district to construct and maintain a public improvement. When all the owners of the land in the proposed district do not consent to the creation of the district, a board should pass a resolution of intent, set a public hearing, provide notice of the public hearing, receive protests, hold a public hearing, consider protests and pass a resolution that either creates or does not create the district. When all the owners of the land in the proposed district consent to the creation of a district, the board does not have to hold a public hearing or pass a resolution of intent. The board can create the district with a resolution without a hearing.

WHEREAS, the Yellowstone County Board of County Commissioners received a petition from Myron and Nancy Gross to create a rural special improvement district to maintain the dry hydrant installed in Onyx Pointe Subdivision. See Exhibits A-G attached. As a condition of subdivision approval, the Board required it to install a dry hydrant and create a district to maintain the dry hydrant. Myron and Nancy Gross own all properties within the proposed district and have consented to the creation of the district. Because all the owners have consented to the creation of the district, the Board does not have to hold a hearing to create the district. The Board only has to pass a resolution to create the District.

ATTEST:

Jeff Martin, Clerk and Recorder

On March 5, 2024, Mark English, a Deputy Yellowstone County Attorney assigned to the Civil Division, reviewed the resolutions to create three rural special improvement districts for Onyx Pointe Subdivision – roads, dry hydrant and septic system.

The road district will include all the lots in the subdivision. It will maintain the roads. It will assess by the lot. It has projected costs. It will continue to exist until no longer needed. All the owners have executed the petition. A hearing is not needed.

The dry hydrant district will include all the lots in the subdivision. It will maintain the hydrant. It will assess by the lot. It has projected costs. It will continue to exist until no longer needed. All the owners have executed the petition. A hearing is not needed.

The septic system district will include all the lots in the subdivision. It will maintain the system. It will assess by the lot. It has projected costs. It will continue to exist until no longer needed. All the owners have executed the petition. A hearing is not needed. The map does not include all the subdivision. The map and the narrative of the district do not correlate. The map only includes a portion of the subdivision. The narrative includes all the subdivision. There is a typo as to Exhibit F in the resolution. It should be Exhibit E. The resolution does not contain the usual Exhibit E, the committee page. Instead, the usual Exhibit F, the consent page, is Exhibit E. Was the committee page intentionally omitted?

*3/7/24: Per Tim Miller
Not all lots will be on the drainfield RSID.
Some will have individual septic.
No Committee for drainfield RSID as this RSID
will be monitored with multi-user and Public
Drainfield Inspections - See Exhibit C Costs.*
