

INVITATION TO BID YELLOWSTONE COUNTY, METRAPARK L.E.D. VIDEO DISPLAY & PUBLIC ANNOUNCEMENT SYSTEM

Notice is hereby given that the Board of County Commissioners of Yellowstone County, Montana is currently soliciting bids from interested parties for Interior Message and Display Units for Yellowstone County MetraPark located at 308 6th Avenue North, Billings, MT; this includes the cost of all materials, permits, labor and equipment necessary to complete the project.

All proposals must be labeled "METRAPARK VIDEO DISPLAY & PA SYSTEM" and mailed with 5 copies (1 original and 4 copies) to the Board of County Commissioners, PO Box 35000, Billings, MT 59107 or delivered to their office, Room 3101, located on the 3rd floor of the Stillwater Building, 316 North 26th Street, Billings, MT 59101. Bids must be received no later than 5:00 p.m. November 22nd, 2021. All bids received by this time and date will be opened and acknowledged at 9:30 a.m. November 23rd, 2021 in the Commissioners Boardroom, Room 3108, located on the 3rd floor of the Stillwater Building, 316 North 26th Street, Billings, MT 59101. Bids received after the aforementioned time and date will not be considered.

In order to ensure prospective vendors, have a complete understanding of the project, a mandatory Pre-Bid Meeting will be held at 10:00 a.m. on November 3rd, 2021 at the 1st Interstate Arena 308 6th Avenue North, Billings, MT 59101. Meeting assembly location will be the Main Lobby Box Office of the 1st Interstate Arena.

All bids must include a Bid Security in an amount equal to ten percent (10%) of the total bid. The security may consist of cash, a cashier's check, a certified check, a bank money order, a certificate of deposit, a money market certificate, or a bank draft. The security must be: a) drawn and issued by a federally chartered or state chartered bank or savings and loan association that is insured by or for which insurance is administered by the Federal Deposit Insurance Corporation; or b) drawn and issued by a credit union insured by the National Credit Union Share Insurance Fund; or c) a bid bond or bonds, original only, no photocopies, executed by a surety company authorized to do business in the State of Montana. Facsimiles, personal and/or business checks are not an acceptable form of security. All bonds of the unsuccessful bidders will be returned within 10 days of the signing of a contract with the successful bidder.

The successful bidder will be required to provide the County with a performance bond and labor and materials bond, both for 100% of the contract amount, within ten days of the execution of the contract and prior to starting any work on the project. The selected Contractor

will also be required to provide a copy of their commercial liability insurance certificate and workers compensation coverage prior to beginning the project.

A 5% retainage fee will be withheld from all progress payments made to the successful bidder. The fee will be returned to the contractor upon completion of the project and acceptance of the project by the County. The successful bidder will be required to pay the State of Montana a sum equal to 1% of the gross receipts from the public contract. The County will withhold this amount and forward it to the State of Montana.

Each bidder must have a current Montana Public Contractor's Registration number when submitting their bid. The number must appear on the bid. All subcontractors, if any, must obtain a registration number prior to beginning any work on the project. Bid only registrations are acceptable for the bidding process.

No bid may be withdrawn for at least 45 days after the scheduled deadline time for receipt of the bids.

The successful bidder will be required to follow all the directives included in section 18-2-422 of the Montana Code Annotated concerning Montana Prevailing Wages for Building Construction 2021. Those directives are as follows:

- (1) The contractor and employers shall pay the standard prevailing wage rate, including fringe benefits, for each job classification as stated in the current prevailing wage rate schedules. The current schedules are available at the State of Montana website. It is the responsibility of the contractors to obtain and use the applicable Wage Rate Schedules.
- (2) each contractor and employer are required to maintain payroll records in a manner readily capable of being certified for submission under statute 18-2-423, for not less than 3 years after the contractor's or employer's completion of work on the project; and
- (3) Each contractor is required to post a statement of all wages and fringe benefits in compliance with 18-2-423.

Statute 18-2-423 is as follows: If a complaint is filed with the department alleging noncompliance with 18-2-422, the department may require the project to submit to it certified copies of the payroll records for workers employed on that project. A contractor or a subcontractor shall pay employees receiving an hourly wage on a weekly basis. If a wage violation complaint is filed with the department, the contractor or subcontractor shall provide the employee's payroll records to the department within 5 days of receiving the payroll request from the department.

- (4) The Contractor is required to comply with all other applicable provisions of Title 18, Chapter 2, and Part 4 of the Montana Code Annotated.

The successful bidder will be required to give preference to the employment of bona fide Montana residents in the performance of the work on this project.

All Montana laws pertaining to resident bidders, both state and county, will be adhered to if applicable.

The contractor must, in performance of work under this contract, fully comply with all applicable federal, state or local laws, rules, regulations, including the Montana Human Rights Act, Civil Rights Act of 1964, the Age Discrimination Act of 1975 and the American with Disabilities Act of 1990. Any subletting or subcontracting by the CONTRACTOR subjects subcontractors to the same provisions. In accordance with section 49-3-207, MCA, the contractor agrees that the hiring of persons to perform the contract will be made on the basis of merit and qualifications and there will be no discrimination based upon race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing under the contract.

COMPLIANCE WITH LAWS

The Contractor must, in performance of work under this contract, fully comply with all applicable federal, state or local laws, rules, and regulations, including the Montana Human Rights Act, Civil Rights Act of 1964, the Age Discrimination Act of 1975, and the American with Disabilities Act of 1990. Any subletting or subcontracting by the Contractor subjects Subcontractors to the same provisions. In accordance with Section 49-3-207, MCA, the Contractor agrees that the hiring of persons to perform the contract will be made on the basis of merit and qualifications and there will be no discrimination based upon race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing under the contract.

Dark Money Spending Disclosure Requirements

Contracting Entity shall comply with the State of Montana **Executive Order No.15-2018** Requiring the disclosure of dark money spending.

Equal Pay for Montana Women

Contracting Entity shall comply with **Executive Order No. 12-2016** promoting equal pay for Montana women directs the Department of Administration to include incentives in the RFP process for contractors who engage in best practices to promote wage transparency. These best practices include the following:

- (a) Posting salary ranges in the employment listings;
- (b) Certifying that the contractor will not ask about wage history in employee interviews; and

- (c) Certifying that the contractor will not retaliate or discriminate against employees who discuss or disclose their wages in the workplace.

INSURANCE REQUIREMENTS

CONTRACTOR shall maintain at its sole cost and expense, commercial general liability insurance naming Yellowstone County, as additional insured for this project against liability for damages for bodily injury, including death and completed operations and property damages in a minimum amount of Seven Hundred Fifty Thousand Dollars (\$750,000.00) for each claim and One Million Five Hundred Thousand Dollars , (\$1,500,000.00), in the aggregate arising from incidents which occur as the result of Contractors negligence during the project and for which Yellowstone County, sole basis of liability is vicarious liability for the acts or omissions of the Contractor or/and subcontractors. Contractor shall maintain for this project at its cost and expense, insurance against claims for injuries to persons or damages to property, including contractual liability which may arise from or in connection with the project by Contractor, agents, employees, representatives, assigns and sub-contractors. This insurance shall cover claims as may be caused by any negligent act or omission. The policy of insurance shall be an occurrence policy with a Best Rating of A- or better and must be in force throughout the project.

Contractor shall name on the Certificate of liability insurance Yellowstone County, as additional insured throughout the project. In addition, Contractor will furnish to Yellowstone County, a copy of the policy endorsement, CG 32 87 05 10, indicating that Yellowstone County, are named as an additional insured under the Contractors insurance policy for this project. Contractor agrees to furnish both the Certificate of insurance and policy endorsement at least ten (10) days prior to beginning work on the project.

Contractor agrees to defend, indemnify and hold harmless Yellowstone County, from and against any and all claims demands, obligations causes of action, lawsuits and all damages and liabilities fines, judgments, costs, (including settlement costs), and expenses associated there with (including reasonable attorney's fees and disbursements), arising from incidents that occur the result of Contractors negligence during this project. And for which Yellowstone County, sole basis of liability is vicarious liability for the acts or omissions of Contractor. The defense and indemnification obligations under this paragraph shall not be limited by any assertions or finding that Yellowstone County, is liable for any damages by reason of a non-delegable duty.

The Board of County Commissioners will award the contract resulting from this Invitation to Bid to the lowest and best responsible bidder. The Board reserves the right to reject any or all bids received, to waive informalities to evaluate the bids submitted, and to accept the bid that best serves the interests of Yellowstone County.

Information regarding Project specifications Information and questions related to the bidding procedure should be addressed to James Matteson @ 406-256-2717 or emailed to jmatteson@yellowstonecountymt.gov

Done by order of the Board of County Commissioners, Yellowstone County, Montana this 26th day of October 2021.

- South End Floor; Replace Eight (8) sign boxes with Video Display Units

LOBBY

- Two (2) New video display units at entrance with new 4 ft x 6 ft Units
 - Units will display same graphics as inside arena
- Replace Two (2) existing TV monitors with new 4 ft x 6 ft Units

SKYBOX UNITS

- Replace existing light boxes with one (1) 8mm – 6 foot x 36 foot unit.
 - Or Option “B” - Three (3) 6mm - 3 foot x 12 foot units

CONCOURSE UNITS

- Two “V” shaped displays with 2 each 3 foot x 4 foot units (4 units total)
- One 4 foot x 6 foot unit on brick wall

MEZZANINE UNITS

- Replace existing light box units and replace with Ten (10) 6mm - 4 foot x 6 foot units

Arena Floor

- Replace existing light box displays on north end and new displays on south end
 - Sixteen (16) 3 foot x 12 foot units and One (1) 3 foot x 24 foot unit.

Arena Public Address System Scope of Work

Upgrade and or replace obsolete & nonfunctioning elements Upgrade and or replace obsolete & nonfunctioning elements. The system will accommodate future integration of all buildings on the campus and include a central control device for the proposed security camera monitoring area, as well as designated remote access electronic devices. System must connect to the Life Safety & Fire Alarm systems.

Vendor will supply all materials, tools, equipment for the Public Address System for the MetraPark Campus. The work necessary to design, upgrade, add, enhance, automate, and construct as one, the digitally upgraded Public Address Systems general and emergency announcements at the MetraPark campus.

- These announcements must have the capability of being dispatched via computer terminals with preloaded paging system software that enables canned messages and other commonly used paging features to be displayed and/or heard.
- The work will also include an upgrade to the existing Public Address System with the most current hardware/software components including, text for display on a video monitor, text to audio, and audio paging in all MetraPark campus locations.
- Additional features include Dispatch Terminals with Automated Dispatch Software to save and store messages in a pull-down menu complete with zone maps and codes.
- The Data Terminals should allow for storing and playing unique messages by zones.
- An Uninterruptible Power Supply (UPS) System providing full power conditioning with minimum of thirty (30) minutes of reserve power shall be provided.
- In the event of a power outage, Stand By and Emergency Generator should start within ten (10) seconds after loss of normal source power.
- The work will include a detailed evaluation, written and graphic documentation of the entire existing PA System Equipment infrastructure, including amplifiers, speakers, speaker cables and ambient sensors, as much as possible.

- All existing individual speaker wiring must be traced electronically from source point to final use point. All locations to be graphically documented. Report the condition of each speaker and its associated cabling.
- The new Public Address System must be menu based with capability for future customized programming. This system will meet all ADA Compliance regulations, CDA Design Specifications and CDA Design and Construction Standards.
- Design and construct a Visual Paging System for the hearing impaired.
- Prior to the systems acceptance, submit an initial testing and tuning report showing methods and results for tests performed.
- Provide on-the-job training in the operation and maintenance of the systems for the personnel designated by the Owner from date of system acceptance for system installed.
- Provide As-Built documentation to the Owner following system installation and acceptance tests
